

Financial Services Guide

what is the purpose of this financial services guide (FSG)

This Financial Services Guide describes our financial planning and advisory services to assist you to decide whether to use our services. It describes how we are remunerated, our professional indemnity insurance and how we handle any complaints you may have.

We may give you other documents when providing our services. These may include:

- **Statements of Advice** - If we provide you with advice about your personal circumstances, we will set out our advice in a Statement of Advice (or in some cases, a shorter document called a Record of Advice). This will also tell you how we will be remunerated for the advice we give you. When we provide further advice to you, we may not give you a Statement of Advice (SoA), however we will record the advice and or your instructions, typically in a Record of Advice (RoA). You may be requested to acknowledge receipt of a RoA. Or you can ask us anytime for a copy of the RoA by calling us.
- **Product Disclosure Statements** - If we recommend that you acquire a financial product, we will also provide you with a Product Disclosure Statement (PDS) containing information about the product's features and risks.
